States, in reply to the above letter, that the present ~~Tarka~~ Sahitya teacher on Rs 60/- may be reverted to the Maharaja's Sanskrit College, Mysore; and a new Sahitya ~~teacher~~ teacher and a Tarka teacher appointed for that amount.

7. In the proposal at Sl no 1 for the appointment of a Tarka teacher on Rs 15, per mensem, the sanctioning must from the State funds. When I was consulted on the proposal at Sl no 1 for the appointment of a Tarka teacher from the State resources, as I was then on leave, I have now recommended that the present Tarka teacher Sahitya teacher Parthasarathi Srikanta Sastry may be reverted to the Maharaja's Sanskrit College, Mysore, & two teachers, on Rs 41 & 31+10 as Sahitya and another on Rs 15/- for Tarka, appointed

A Jatka ~~Vedic~~ Pandit is proposed to be appointed on Rs 15. The balance of Rs 4/- is proposed to be paid to the Swamis for teaching Veda recitation.

3) That a compound wall should be put up at a cost of Rs 2825. nearly so that the Swami may be enabled to have his Physical Exercise.

4) That orders may be passed early on Mr Mastyengar's note on the financial position of the Sringeri Mutt as the institution is said to stand in "much add. money"

(I am also a Sishya of the Mutt interested in its well being)

" Being in some humble way responsible for the present management of the affairs of the Sringeri Mutt as the Muz file. 298 of 18 will show, I may have personal knowledge of the Mutt's affairs and the persons connected therewith. and beg to submit the following points for kind consideration and orders:-

1) The present Pandit Y. Subbanna Sastry is a Pandit of marked abilities in Sastras and his place, if he vacates it, cannot be easily filled. His upper Sastry is an young man of intelligent but very much inferior in capacity and character when compared to the former.

Rao Sahib as Pandit Srikanta Sastry is said to be willing to revert to his former Appt at Nagara, there is no alternative but the Appt of Shipla Sastry in his Place. The appt of a Sanka teacher is also a necessity; and the Mur: Com's proposals in these two respects may perhaps be sanctd.

13. As for a Veda teacher in the person of the Swamis father, the proposal does not seem to be quite sound. Apart from the undesirability of appointing the Swamis father as a teacher as brought to notice in the Mur dewan's note dated 1st March 24 on page 4 of the notes in Mur 2nd [illegible] 2 358-20, I personally know that this Gentleman Narayana Sastry who is a Kannada Teacher in a Govt Primary Boys' School knows precious little Veda & Upanishads & will hardly make a good teacher of Veda to the Swamiji's of an important Matt. His conduct has been otherwise adversely Commented upon by persons who know, and his Connn with the Swami as a teacher is not calculated to be of any a desirable influence on the [illegible] of the Matt.

tuition to a candidate in the Sanskrit Institute (Sankara matt) with an allowance of Rs 10 or so per month

15 The construction of a compound wall for the matt building is an advantage but it is doubtful how far this will enable the young sannyasi to have his Physical exercise within the compound further the matt's financial position is far from being sound. The matt has to pay every year a heavy sum to the Kalasesvara Swami temple by way of instalment & interest towards the 15,000 Rs loan recently sanctd. and in view of the Comptroller's remarks on the Special Duty Officer's note on the audit of the matt's accounts (the file has been separately submitted for orders) it does not seem that any large sum will come to the credit of the matt as anticipated by the Mukhya Cmr. —

16. At one time it was under contemplation to locate the Sannidhi in Sringeri and give him a long candidate training up, so that instruction might be combined with healthful exercise & a change for the Pontiff & the matt, rather than in Bangalore which being a big city is full of attractions

(understood that Vaidika teaching is intended to be entrusted to one of these candidate-Students of the Sringeri Sanskrit Institute who is also proficient in the Vedas.)

also under consideration that he might be sent to Sringeri where under the fostering care of the Swamiji he might be educated & trained up in the way best suited for the position he has been called upon to occupy as the Swamiji of the Sringeri Mutt. The ideas had to be given up for the time being as the Swamiji was too young then. Now he is 15 years old and the matter arrangement may perhaps be considered favorably, both in view of the Swamiji's progress in his studies & culture and of the improvement in the Mutt's financial position.

17. If approved the Hon'ble Chief may be asked to place the matter before the Committee and to submit their opinion at the earliest with his own views in the subject.

In this case a far less amount will be required for the Swamiji's expenses, and the large amount saved for the institution.

None of the Kangalam Pandits has so far been able to bring him under discipline, and there has been no matter of supervision over his progress. Mr. E.R. Muppa Sastry whose high Qualifications have again been brought to notice by the Committee has been considered by the Second member (who, as Mgr Cmr. in Charge of the Kangalam Sanskrit College where the Pandit has been working knows him well) as not "Quite fitted for the post of teacher "& guardian to the Swami" (vide page 9 supra), and it is also understood that the Sringeri matt is unwilling to depute Pandit Sundara Sastry to the Sringeri matt. Sir,

I have the honor to forward herewith copy of letter dated 7th June 1923 from the Convenor of the Committee appointed to help the Muzrai Commissioner in the education and training of the minor Swami of the Sri Sivaganga Matha giving cover to a copy of the proceedings of a meeting held on 27th May 1923 and requesting sanction for the appointment of an additional teacher (on Rs.12-15 a month) for teaching Tarka to the Swami and to recommend that the appointment of a Tarka teacher on Rs.15/- may be sanctioned, the charge being met from the funds of the Matha.

2. The finances of the Matha are not in a flourishing condition and the scale of expenditure fixed in Government Order No.3246-48/M.F.389-21-2 dated 4th January 1922 will be re-examined with a view to minimize the expenditure and to provide funds for the liquidation of the second loan advanced to the Matha for the settlement of the claims of its creditors. A separate report will be submitted in the matter at an early date.

Letter dated 7th June 1923, from the Convenor of the Sri Sivaganga Mutt Committee, to the Muzrai Commissioner in Mysore:--

---

"In forwarding herewith a copy of the Proceedings of the first meeting of the Committee appointed by Government in their order No.2427 Muz.343-22-2 dated 7th March 1923 to help the Muzrai Commissioner in the matter of the education etc., of His Holiness the Swami of Sri Sivaganga Mutt held on 27th ultimo for your kind perusal, I have the honor to state that in the matter of future education of the Swami it seems very desirable to appoint a teacher in Tarka on Rs.12/- to 15/- per mensem and to associate the Swami with at least two more comrades.

A knowledge of Tarka is an essential preliminary to the study of Vedanta and unless it is commenced at this stage when the Swami is still young and capable of retaining what he reads, it would be an uphill task to master it later on. It is after a careful consideration of this and other aspects that it has been resolved to introduce Tarka teaching at once, and I request that you may be good enough to obtain the orders of the Government in the matter.

As regards the present teacher himself he does not appear to be capable of giving lessons in Tarka being a specialist only in Sahitya. It having come to the notice of the Committee that this programme of work laid down in the first instance is neither being strictly adhered to nor enforced, Vedamurti Sreekarta Sastry has been moved by the Committee in this respect.

Coming now to the 2nd resolution which deals with the question of what physical exercise should be given to the Swami to keep him hale and healthy, I beg to state that the Committee are of opinion that unless steps are taken to have the compound wall of the building put up it will not be possible to think of any exercise being given to the Swami without breaking the Sastric rules and long established practice.

I therefore beg to request that necessary action may be taken to have the intention of the Committee put into effect. Meantime His Holiness has been requested to perform certain actions which will give him a little amount of exercise but which cannot at all be considered to be

be adequate for one of his age and physique".

To

Bangalore.

Sir,

With reference to your letter No.3072/M.F.448-22-2 dated 25th June 1923, enquiring as to how the cost on account of the allowance payable to the Tarka Tutor of the Sri Sivaganga Swami is proposed to be met, I have the honor to state that the Committee which met again on 30th August 1923 have resolved that Pranmasree Yalendur Srikanta Sastry who has been the Tutor for the last 2½ years and who has done his best may be reverted to his permanent appointment in the Maharaja's Sanskrit College, Mysore, with a due recognition of his services and that the sum of Rs.60/- thus set free may be utilized towards the pay of a new Sahitya teacher on Rs.45/- and Tarka Tutor on Rs.15/-.

They have further resolved that Parati Ishwara Sastry, Sahitya Vidwan and a teacher in the Dharmendra Sanskrit College be appointed as whole-time teacher of the Swami and that the Swami's father (in purvasrama) may be appointed to teach Veda recitation which is a necessary equipment, on payment of a small allowance of Rs.4/- a month.

2. The arrangements suggested by the Committee are well-conceived and may be approved subject, however, to the following modifications:--

Pandit Thippa Sastry is getting Rs.31/- in grade 30 - 1- 35 with effect from 1st July 1923 and instead of fixing his pay at Rs.45/-, he may be given an allowance of Rs.10/- in addition to his grade pay in the College thus making his total emoluments to Rs.41/-, without prejudice to his earning the usual increments as they fall due.

As the finances of the Matha do not admit of any recurring expenditure being added on, the balance of Rs.4/- remaining as above will be utilized towards the allowance of the Adhyayana - teacher.

The services of Pandit Thippa Sastry will be secured in communication with the College authorities on receipt of Government orders approving the above proposals.

3. The Committee have also urged the early construction of the compound wall costing Rs.2,835/- approximately, in the interests of the Swamy's health and physical exercise. I am also of opinion that the construction of the compound wall is a necessity and it will very much facilitate matters if orders are passed on the Special Duty Officer's notes of audit as the Matha stands to gain such additional money. To Your Son,

Referring to the correspondence ending with your [illegible] no. 3.1718 of 22 [illegible], ~~the subject of the issue of the~~ present Srikantya Iswara [illegible] of the Sri Swarnajayanthi [illegible] to the Sanskrit College Mysore and the appointment of two teachers for teaching Sanskrit from Desired to state as follows:-

2 It is no doubt desirable and necessary that the [illegible]

Submitting proposals for the revision of the teaching staff of the Swarnajayanthi of the Sri Swarnajayanthi mutt at Bangalore

over.

Trikantasastri, should be reverted
to his permanent place and that
in [illegible] replaced by one,
who is well versed in Tarka and
~~also~~ if possible, also in Mimamsa and
Vedanta. The arrangements
proposed by the committee do
not appear, however, to be suitable.
Pandit Hiriyanna sastry, whatever
may be his qualifications, is a
comparatively young man; and
I do not think he is quite
fitted for the post of teacher
and guardian to the Swami,
for which an elderly gentleman,
who will command the respect
of the Swami on account both
of his learning, as well as age,
should be appointed. ~~Moreover~~,
It is not also desirable to appoint
the Swamy's father (in Purvasramam)
as his Veda teacher, particularly as it is understood
~~so I understand~~ that he
does not know much of the Vedas.

The Swamy should, on the other hand, have as little as possible to do with his father, who should be kept away from him and not allowed to reside in the same place, as it is understood he is doing now ~~to be Sannyasin~~.

3. I am to request you to kindly communicate the above observations confidentially to the Chairman of the ~~Committee~~ Committee and to obtain and send us revised proposals in the matter. The Committee may also be asked to consider the desirability of sending the Swami to Sringeri for education & training under H. H. the Jagadguru of that Matt and submit their views ~~invited~~ in the matter, in consultation, if necessary, with the principal disciples of the matt.

A very early ~~action~~ reply ~~in the matter~~ is requested.

Dear Sir,

In reply to your confidential D.O.letter No.1 dated 20th October 1923 requesting me to obtain the further views of the Committee regarding the proposals for the revision of the teaching arrangements of the Swamigalu of the Sri Sivaganga matha, I send herein enclosed copy of letter dated 6th November together with a copy of the proceedings of the third meeting of the ---- advisory committee received from the convenor, affirming that in their opinion Pandit Thippa Sastry who has since passed the ---- Adwaita Vedanta Vidwat Examination is well qualified to undertake the training and the education of the Swamigalu and stati that if his candidature is not acceptable to Government, Ved: Sundara Sastry, Sahitya Pandit of the Patasala attached to Sri Sringeri matha at Sringeri is the next best available Pandit and that his services may be secured in consultation with the - matha authorities.

2. The observations contained in your letter regarding the residence and interference of the Swamy's father in Purvasrama have been communicated to the agent. Another competent --- Pandit to teach Veda regitation will be selected in consultati with the committee on receipt of Government orders sanctioning these proposals.

3. As regards the proposal to send the Swamigalu to Sringeri, the committee have resolved that in view of the early departure of His Holiness the Jagadguru on tour, the question is best considered after His Holiness' return to Sringeri I agree with the committee.

As the committee apprehend that the progress of the Swamigalu will be retarded if satisfactory arrangements are not made early, I request the favour of early orders on the above proposals.

Yours sincerely,

K. Ramaiah

To

N. Srikanta Sastry, Esq.,

Agent, Sri Sringeri Matt.

My Dear Sir,

The question of the education and training of the young Swamigalu of the Sri Sivaganga Matt has for sometime past been under the consideration of Govt. The Swami's education has now reached a ~~definite~~ certain stage and it is necessary to make efficient arrangements in order to give him a good grounding in Tarka, Mimamsa and Vedanta so as to fit him in due course for the exalted position he has ~~been called upon~~ to occupy.

~~2.~~ It is felt that ~~a Grihastha may not be competent or able to instruct a Sanyasi in the duties peculiar to that Asrama and that the~~ such arrangements must be made for his Education ~~training~~ of the Swami and as well as for the practical training in the duties & responsibilities of a young Swami should be placed under the guidance and influence of His Holiness the Jagadguru of the Sri Sringeri Matt, where ~~xxxxxxxxxxxx~~ under His Holiness' fostering care and with the active help and cooperation of the learned Pandits, he can be trained for the more serious duties of an important Mathadhipathi. Above all what is required is example more than precept for initiating him into the duties of a true Sanyasi. Government therefore, consider it very desirable that he should get his training and inspiration from His Holiness.

~~3.~~ In these circumstances, I am to request you to be so good as to place these facts before His Holiness the Jagadguru and ascertain his pleasure in the matter of receiving the young Swami of the Sivaganga Matt for education and

training into the Sringeri Matt. Government feel that there will be no objection to this arrangement as it is understood that there are a few young Swamis of other Matts of about the same age as that of the Sivaganga Matt studying at Sringeri. In case His Holiness approves of the suggestion, I am to request you to favour Government with the details of the monthly minimum expenditure required for the maintenance and education of the Swami at Sringeri for a period of three years in the first instance.

The favour of a very early reply is requested.

Yours sincerely,

My dear Mr. Anantharaman,

Your D. O. No.815/Muz.448-22-6 dated the 12th instant, in re: the Swamigalu of the Sri Sivaganga Matt.

I write to inform you that I have submitted the contents of your communication to His Holiness the Jagadguru. He is very much gratified to learn that the Government is so very much interested in arranging for the proper education of the young Swamigalu of the Sivaganga Matt so as to get him necessary training in his Ashramaic responsibilities and fit him for his exalted position.

As at present arranged His Holiness intends proceeding on a tour in the State for a few months, leaving this on or about the 18th January 1924. He intends visiting Bangalore City in the course of His tour, when He will see the young Swamigalu and examine the education he has had till now and will be able to give His opinion as to what may next be done in the matter.

Yours sincerely,

Venkatasubbaiya
